

I Will Always Love You"

**(originally by Dolly Parton)
(from "The Bodyguard" soundtrack)**

**If I should stay
I would only be in your way
So I'll go but I know
I'll think of you every step of the way**

**And I ... will always love you, ooh
Will always love you
You
My darling, you...
Mmm-mmm**

**Bittersweet memories –
That is all I'm taking with me
So good-bye
Please don't cry:
We both know I'm not what you, you need**

**And I ... will always love you
I ... will always love you
You, ooh**

[Instrumental / Sax solo]

**I hope life treats you kind
And I hope you have all you've dreamed of
And I wish you joy and happiness
But above all this I wish you love**

**And I ... will always love you
I will always love you
I will always love you
I will always love you**

**I will always love you
I, I will always love you**

**You
Darling, I love you
I'll always ...
I'll always love you
Ooh
Ooh**
